Servings: 12 pancakes Author: Karina Carrel

Ingredients

- 2 cups all-purpose or plain flour
- 1/4 cup granulated sugar or sweetener
- 4 teaspoons baking powder
- 1/4 teaspoon baking soda
- 1/2 teaspoon salt
- 1 3/4 cups milk
- 1/4 cup butter
- 2 teaspoons pure vanilla extract
- 1 large egg

Instructions

1. Combine together the flour, sugar (or sweetener), baking powder, baking soda and salt in a large bowl. Make a well in the centre to add the wet ingredients.

2. Use a wire whisk to combine the milk, slightly cooled melted butter, vanilla, and egg first, then slowly fold them into the dry ingredients. Mix together until smooth (there may be a couple of lumps but that's okay).

The batter will be thick and creamy in consistency. If you find the batter too thick (doesn't pour off the ladle or out of the measuring cup smoothly) fold a couple of tablespoons of extra milk into the batter at a time until reaching the desired consistency

3. Set the batter aside and allow to rest while heating up your pan or griddle.

4. Heat a nonstick pan or griddle over low-medium heat and wipe over with a little butter to lightly grease pan. Pour ¼ cup of batter onto the pan and spread out gently into a round shape with the back of your ladle or measuring cup.

5. When the underside is golden and bubbles begin to appear on the surface, flip with a spatula and cook until golden. Repeat with remaining batter.

6. Serve with honey, maple syrup, fruit, ice cream or frozen yoghurt, or enjoy plain!
