Ingredients (continued)

Ingredients

- **5 cloves** garlic — minced
- **3 1/2 cup** water
- **2 tbsp** chicken consommé
- **1/4 cup** honey
- **3 tbsp** soy sauce (or coconut aminos)
- **3 tbsp** olive oil
- **1 tsp** paprika
- **1 tsp** garlic powder
- black pepper — to taste

Instructions (continued)

4. Season the chicken thighs lightly with salt and pepper; nestle them skin-side up into the orzo.
5. Cover tightly with foil and bake for 40 minutes.
6. Uncover, spoon the sauce over the chicken, and bake 15–20 minutes more, until the chicken is glossy and tender.
7. Optional: broil 2–3 minutes for extra color. Rest 5 minutes before serving.

Tips

- **The gloss comes from basting:** After uncovering, spoon the pan sauce over the chicken before the final bake — that's what lacquers the skin, not the broiler.
- **Even better tomorrow:** The source promises the dish tastes better the next day. Store covered in the fridge and reheat gently.

Meat dish (chicken thighs, chicken consommé). One-pan dinner: the orzo cooks in the baking dish with the chicken — no draining, no stirring, no second pan. Submitted as an Instagram screenshot (2026-10-20). Black pepper appears in the directions (whisked into the sauce and used to season the chicken) but with no quantity, so it's listed as optional to taste. — Instagram (screenshot submitted 2026-10-20)
