Ingredients (continued)

- **2** large onions — thinly sliced
- **6 cup** water
- **6** baguette slices
- **1 cup** Mozzarella cheese — shredded

Instructions (continued)

5. Preheat oven to broil. Ladle soup into 6 oven-safe bowls. Float a baguette slice on top of each soup. Sprinkle about 2 tablespoons of shredded mozzarella cheese onto the bread slices.
6. Place filled bowls onto a cookie sheet. Place cookie sheet in oven under broiler. Broil 4 minutes. Serve immediately.

Tips

- **Garlic Baguette:** For a garlic bread topper instead of a plain baguette slice: slice 1 French-style baguette on a diagonal about 1-inch thick and place on a cookie sheet lined with baking paper. Brush each slice with 1/4 cup (1/2 stick) melted butter, sprinkle with 2 cloves garlic (minced), and bake at 400°F for 10 minutes.

This soup was served to my seminary students at the weekly class I hosted. It became an instant favorite and to my chagrin — a weekly request! No getting away with microwave popcorn and carrot sticks for me, like my fellow teachers. — Submitted photo (cookbook page)
